

In 2017 the Lake Okareka Community Association responded to feedback from the local community on what matters were important or of concern.

A draft plan was developed and circulated which was reflective of your views.

Your current LOCA committee have updated the plan, deleting those actions which have already been addressed but retaining the overall strategic direction based on your original feedback.

Please take time to read this and continue to provide us with your thoughts via the various communication channels on the adjoining page.

Or simply talk to any of your committee members:

Gregg Brown, Mitch Collins,
Dennis Falconer, Liz Harding,
Matt Harvey, Colin Jackson, Kim Lorigan,
Paul Martelli, Peter Muys,
Debbie Surtees, Mike Vincent

We want to hear your views

**OUR PLAN FOR THE NEXT 3 YEARS
2019—2021**

WHAT WE WANT TO ACHIEVE

HOW WE WANT TO WORK

WHAT WE WANT TO DO

Our core objectives are to:

Maintain and improve our environment at Lake Okareka and consider the impact of all decisions and actions on water quality, flora and fauna

Create a safe and friendly environment for residents property owners and visitors to enjoy the lake and its environs

Support the maintenance and development of amenities for residents where adverse impacts can be well managed

Maintain the current and optimal balance of active and passive lake use

We are committed to working positively, in partnership and in support of others to deliver the best results for Lake Okareka

Our key partners and stakeholders are:

Local Iwi -
Te Arawa Lakes Trust
Te Au Rere Waka Ama Club (and the Te Waiariki Purea Trust)
Tuhourangi

Our local organisations -
Camp Hosts, Community Hall Team, Fishing Club, Lake Wardens, Landcare Okareka, Pre-School, Rural Fire Force, Tennis Club

Other organisations -
Bay of Plenty Regional Council
Department of Conservation
Forest and Bird
Rotorua Botanical Society
