DVD		
Video		
Stereo		
Radios		
Computer		
Printer		
Software		
Cameras		
Digital cameras		
Video cameras		
Kitchen appliances		
Laundry appliances		
Bicycles		
Motor vehicles		Rego:
		Rego:
Sports equipment		
Firearms		
Motor mower		
Power tools		
Cellphones		
Serial number under battery		
Other items		
Jewellery		
Watches		
Playstations/ Wii / Xbox		

If you have a digital camera, take a couple of pictures around each room and download onto a cd, this can be held in safe keeping or given to insurance company to file.

Or keep pictures/list on a flash/thumb drive at work or someplace not at home.

A coloured photograph of jewellery provides an ideal way to identify property (include a ruler in the photo to help with size/proportion).
